United Arab Emirates as a World Centre for ARBITRATION

This seminar is a joint event between the College of Law at University of Dubai and
the British Irish Commercial Bar Association

Seminar Topics:

- The structure and efficacy of arbitration law in the United Arab Emirates
- The business case for the UAE as a regional and world centre for arbitration
- An arbitrator's view of best practice in arbitration
- A leadership role for the UAE in the region in developing and supporting arbitration in other countries

Seminar Objectives:

1. To enable stakeholders including academics, professionals and lawyers to discuss the strengths and future of the UAE as an international centre for arbitration
2. To draw up proposals for further development and enhancement of the UAE's position as a world centre in arbitration.

Seminar Speakers:

- Dr. Habib Al Mulla, Chairman of the Dubai International Arbitration Centre's (DIAC) Board of Trustees
- David Casement QC, former Joint Chairman of the British Irish Commercial Bar Association, Arbitrator and Deputy High Court Judge, England
- Dr. Hassan Arab, Partner, Co-Head of Litigation Al Tamimi & Company
- Michael Stephens, former President of the Chartered Institute of Arbitrators, Arbitrator and part-time judge of the Technology and Construction Court, England
- Mr. Victor P. Leginsky, Chartered Arbitrator and Certified Mediator
- Monye Anyadike-Danes QC, the UK Chairman of the British Irish Commercial Bar Association, Arbitrator and Certified Mediator, Northern Ireland

Date: Tuesday, 14th March, 2017

Venue: University of Dubai, Conference Room

Time: 2pm - 5pm

Fees: AED 230
